### Invitation For Bid GSA-042-21 Pontoon & Sponson Vessel

Questions received from Coral Reef Guam on August 9, 2021

#### Question 1:

Does the end user want the color Orange, instead of the original military gray that the vessel originally came with?

Response:  
Refer to Amendment #1

#### Question 2:

We would like to request a delivery extension date from 60 days to 180 days ARO for production to delivery to Guam due to the Covid-19 situation at the manufacturing facilities in the US mainland. This is not off the shelf product, it has to be built to specification to fit the -boat hulls correctly. Supplies, and labor have been difficult within the last year to meet supply demand

Response:  
Refer to Amendment #1
